Coronavirus 19 - Risk Control Measures

These measures, consistent with Archery GB advice, apply to all Phase 2 restricted shooting at Batheaston and Hunstrete (where applicable) until further notice. **Members must comply with these measures.** They are for your safety, and the safety of fellow archers, to minimise the risk of contracting Coronavirus 19 (COVID19). They do not ensure complete protection from the virus so **you should consider your own health risks when deciding whether to come and shoot.** Bath Archers will immediately suspend shooting if these measures are not observed by members attending Batheaston and Hunstrete ranges.

BEFORE ARRIVAL

- If you have symptoms of COVID-19 **DO NOT** come to the club.
- If you've had symptoms of COVID-19 **DO NOT** come to the club until 14 days after you have fully recovered.
- If a member of your family/group living at the same address is symptomatic **DO NOT** come to the club until at least 14 days after they have recovered.
- **Book one of ten available Batheaston targets** with an e-mail having checked availability on the interim Google Spreadsheet at the link below. He will take bookings in the date/time order in which the first ten requests are made.
- Targets may be used by two archers from different households, when shooting outdoors, in two single details (as long as 2m social distancing is maintained); one archer; or one group of archers of any size if from the same household.
